**"LILLY NOBLE & ACTUAL MAGIC"**

**Move over Harry Potter, Lilly Noble is in the house!**

**Nurse by day, Phoenix author by night, Deborah McTiernan brings JK Rowling's Harry Potter to America through Lilly Noble.**

According to nine year old Kenna of Sedona, Arizona, a huge fan of the Harry Potter books and movies, "Ms McTiernan's Lilly Noble is better than Harry Potter."

Arizona author, Deborah McTiernan, a life long fan of fairy tales, myth, and magic, has written what just may be the Next Big Thing in Young Adult Paranormal literature.

After the collision claimed her mother's life and left her with a memory full of holes, thirteen year old Lilly Noble is sent away to boarding school on the gloomy island of Raven's Landing, Maine. When she meets the hypnotically charming and strangely intense Murosky Skaggs, Lilly's search for the truth beneath his lies causes her life to take a thrilling and terrifying twist.

What she doesn't realize is the closer she gets to revealing his dark secret, the closer she comes to regaining her memory and unmasking her mother's murderer. Lilly's quest for answers puts her and those around her in mortal danger, and once she starts down that path, there is no turning back from her destiny, if she can survive.
